Sir,

Subject Levy of octroi on coconuts etc , in Chitaldrug Town Municipality

=====

In forwarding herewith the entire file of papers received with letter No Nil dated 5th Dec 1947 from the President of Chitaldrug Town Municipality, on the above subject, I have the honour to state as follows.

During the time of inspection of the Municipal office held in the month of June 1946 and 1947 instructions were given to the President of the Municipality to devise ways and means to improve the financial condition of the Municipality as it is incurring very heavy expenditure (31,500) towards water supply every year It is maintaing a Municipal High School from June 1947, on grant in-aid basis and it has to provide Rs 6,09,700/- for the drainage scheme which has been submitted to Govt. for sanction It is quite necessary on the part of the Municipalcouncil to levy the taxes for the improvement of its resource

The Municipal Council at its meeting held on 21-4-1947 resolved to levy octroi on 23 items Objections were called for by the President of the Municipality in his notification dated 3-5-1947. In reponse to this notification, three objection petitions as detailed below were received in the Municipal office

1 Petition dated 21-6-1947 of Messrs Sheik Mohadeen and sons, timber merchants Chitaldrug, requesting not to levy octroi on timber as the sale of timber in Chitaldrug town is very little.

2 Petition dated 3-5-1947 of Messres P H Rudrappa, Suleman Ismail etc , requesting not to levy Octroi on (1) Coconnut Oil etc ,(2) Joggery (23) Match boxes on the ground that these articles are required for all classes of people and that it would be a great hardship to the poor people if the tax is levied on

these articles

(3) Application dated 10-7-1947 of Messrs M Thippeswamy Setty, B Dasappa and others requesting not to levy Octroi on Iron, Steel and their products and/or Brass, Copper, Alluminium and other metals including alloys and their products at 0-0-3 per rupee advelorem, as these articles are very commonly used by the poor people

The Municipal Council at its meeting held on 31-8-1947 has considered the above objection petitions and it has resolved that (1) Octroi on Joggery ~~that (1) Octroi on Joggery~~ need not be levied and (2) that the other objections may be rejected

The rates of Octroi proposed to be levied by the Municipal Council are very light and it may not cause hardship to the people as the rate of tax proposed to be levied is low I request that early sanction of Govt may kindly be obtained to the resolution of the Municipal Council for levying Octroi on the twenty two items at the rates specified in the notification dated 3-5-1947 of the President of the Municipality

The three petitions and all the other connected papers are enclosed herewith for favour of reference

I have the honour to be,
Sir,
our most obedient Servant,

~~Deputy Commissioner,~~
